

Virtual
Conference

University
of Basel

Department of
Biomedical Engineering

ETH zürich

7th International Workshop on New Trends in Medical and Service Robotics

MESROB 2021

Virtual Conference

07.-09. June 2021

Topics

- Design of medical devices
- Surgical robots
- Rehabilitation robots
- Service robots
- Human-robot interfaces
- Sensors
- Actuators
- Lasers
- CYBATHLON

Local Organizers

Prof. Georg Rauter, University of Basel, Switzerland (Robotics)
Prof. Philippe Cattin, University of Basel, Switzerland (Imaging)
Prof. Azhar Zam, University of Basel, Switzerland (Laser)
Prof. Robert Riener, ETH Zurich, Switzerland (Cybathlon)
Prof. Giuseppe Carbone, University of Calabria, Italy (Robotics)
